### Letter of Support

The Technical University of Liberec, represented by its *rector assoc. prof. RNDr. Miroslav Brzezina, CSc.*, expresses the fully interest and support in the effort of the Institute for Nanomaterials, Advanced Technologies and Innovation to obtain the "HR Excellence in Research" award.

The Institute has endorsed the 40 principles of the 'European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers' (Charter and Code) in December 2017.

The Institute considers the HR policy to be crucial part of its strategy to perform high quality competitive research and development backed by highly-skilled human resources.

In accordance with this acknowledgment, the University representatives will make all their efforts to keep and strengthen the Institute's mission in successful gaining of the HR award.

To obtain the prestigious HR Award, the Institute uses the resources of the project „Management Mechanisms of CxI TUL with a focus on increasing the quality of the results of R&D&I activities" no. CZ.02.2.69/0.0/0.0/16\_028/0006198 funded within the Czech Operational programme Research, Development and Education.
