

Ceremony for invited guests

10 YEARS OF CXI IN BUILDING L

Bendlova 7, Liberec. This is the CXI Science Centre of TUL. It is 10 years since this building with its two towers was officially opened. Nanomaterials, nanotechnologies, engineering, design, robotics, and system software solutions are all at home here. This is the home of research, development, and innovation.

Schedule:

13:30 - 15:00 Tour of the building and laboratories

15:00 Opening ceremony

15:30 Program in the lobby - music, refreshments

16:15 IQ Landia science show

17:00 Concert by SHK (Super Hero Killers)

The last 10 years have been worth it. Remember them with us!
